

# AUDIT & TAX INVESTIGATION IN BOTSWANA

S E M I N A R 2 0 2 5

Navigating the future of Compliance: Strengthening Audit & Tax  
Investigation in a Dynamic Economic Landscape

**Partnership Packages**

PolyNew Training Services, based in Gaborone, Botswana, specializes in delivering world-class corporate training solutions tailored to the unique needs of businesses. Their mission is to empower employees and elevate business performance through customized training programs.

The company offers a diverse range of courses focusing on key areas such as Compliance & Health, Education & Training, Productivity, and Effective Operations. These programs are designed to enhance employee skills, ensure regulatory adherence, and promote operational excellence within organizations.

A notable offering is their "Mindset Change" courses, aimed at fostering a growth mindset for national transformation. These programs empower workforces to become driving forces for positive change, aligning with the company's commitment to success-oriented training.

PolyNew Training Services prides itself on its team of professional trainers who possess extensive industry experience and a deep understanding of various operational situations. Their success-oriented approach ensures that client success is a shared achievement, reflecting their dedication to delivering effective and impactful training solutions.

The company is registered and accredited with the Botswana Qualifications Authority (BQA) and the Human Resources Development Council of Botswana (HRDC), underscoring their commitment to maintaining high standards in corporate training.
